Once again, the Beta Zeta/SMU chapter of Pi Kappa Alpha is proud to present to you our Dream Girl Calendar featuring The Women of SMU. We wanted to uphold the traditions of SMU and of Pi Kappa Alpha by producing the highest quality calendar possible. The only way to accomplish this goal was to make every individual part of this calendar the very best. I would like to take this opportunity to thank those people whose individual contributions made our goal a successful one.

I would first like to thank Kristina Bowman our photographer and Lorenzo Kezhaya, our hair/make-up artist. Their patience and flexibility allowed the photo sessions to run smoothly. Next, I thank each one of the thirteen beautiful women who allowed us to use their pictures. The brothers of Pi Kappa Alpha appreciate the dedication, time, and sacrifice given by each of these women. I would also like to thank Les Kadel at Greater Graphics for putting in print what were only vague ideas a few months ago. In addition, I would like to especially thank Buz Gillentine, Jim Kelley, and all of the employees at Southwest Offset for publishing this calendar, Butler Paper Company for providing paper, and G&M Negatives for providing color separations. Their generosity and desire to help Big Brothers of America should be applauded.

Finally, I would like to thank all of the merchants whose financial support allowed us to produce this calendar. We are grateful to each and every one of you.

My sincere appreciation goes out to all those who were involved in the production of 1987-1988 Pi Kappa Alpha Dream Girl Calendar.

Sincerely,
John Thomas
Calendar Chairman
